LIBERAL ARTS MAGNET

The background features a collage of various icons related to education and the arts. At the top center is a glowing lightbulb. To its right is a laptop computer. Below the lightbulb is a graduation cap. To the right of the cap is a brain. Below the brain is a theater mask. To the left of the cap is a large eye. The background is decorated with stars, circles, and dashed lines.

- Geared toward students with history, literature and philosophy interests
- Paves the way for several majors such as:
